NOTICE

We hereby notify all patrons of Armenti's Pizzeria of a significant alteration in our gift certificate policy, necessitated by recent legal and ownership changes.

Pursuant to an asset sale of the assets owned by Mr. Giancarlo Armenti's sole proprietorship to Skout Holdings, LLC, which closed on April 24, 2024, it is imperative to inform our clientele that all gift certificates issued prior to April 24, 2024, shall cease to be valid for redemption as they are liabilities of Giancarlo Armenti not Skout Holdings, LLC which is the receiver of the assets of Armenti's Pizzeria not liabilities which gift certificates are.

This decision is rooted in the legal framework surrounding asset sales, which dictates the treatment of liabilities and obligations post-transfer. We recognize the potential inconvenience this may pose to our loyal patrons and extend our sincerest apologies for any disruption to your enjoyment of our services.

We urge all holders of gift certificates issued prior to April 24, 2024, to utilize their balances before June 24, 2024. Skout Holdings, LLC is honoring the gift certificates sold by Giancarlo Armenti through this date without any monetary compensation for the services rendered. Following this deadline, said gift certificates shall no longer be eligible for redemption.

Your continued patronage and support are deeply appreciated, and we remain committed to delivering the highest standards of service amidst this transition.

Respectfully,

Joe Hetsko
President, Skout Holdings, LLC.
